THURSDAY, Oct. 10, 1912.

The sooner you come to Washington county and locate, the better it will be for you.

Jacksonville's session of the Florida legislature met and adjourned on schedule time.

According to the latest reports the Panama canal will be opened for traffic by October 1913.

Building good roads is one of the most important features of the progress that is being made in Florida.

Fishing and hunting is good in Washington county; so, if you want real sport don't hesitate, but come right along.

The whole country is expecting the election of Woodrow Wilson next month by the largest majority ever given a nominee for president.

War is threatened between the Balkan states and Turkey, and hundreds of Greeks have left this country in the last week or two to join the army.

W. J. Bryan concedes that the Democrats will lose every state west of Oregon, north of Minnesota, south of Florida, and east of Maine. What do you think?

Bully for Park Trammell! He would not agree to Gov. Gilchrist's effort to keep the initiative and referendum amendment off the ballot to be voted in the general election.

In discussing the tariff Governor Wilson says that "American industries are in a straight jacket." If signs don't err, he will soon have a chance to loosen up the national corset string.

## Well Deserved.

The Praise That Comes From Thankful Chipley People.

One Kidney remedy has known merit.

Chipley people rely upon it.

That remedy is Doan's Kidney Pills.

Chipley testimony proves it reliable.

Mrs. M. A. Davis, Jackson St., Chipley, Fla., says: "I consider it pleasant to again recommend Doan's Kidney Pills in a public way. I think just as highly of this remedy now as I did three years ago after it cured me and I have had little or no kidney trouble since. I was in poor health quite a while and seemed to be growing worse. My nerves were all unstrung and I rested so poorly that when I got up in the morning, I was all tired out. My appetite was poor and I always felt languid. My daughter finally procured a box of Doan's Kidney Pills and I began using this remedy. The contents of the first box did me so much good that I continued to use it and before long I was in better health than I had enjoyed for years. I feel that I owe much to Doan's Kidney Pills.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
